

Dr. Susith Athukorala

MBBS (University of Colombo – Sri Lanka)

MSc (Biomedical Informatics)

MD (Health Informatics)

FAIDH (Fellow of Australasian Institute of Digital Health)

CHIA (Certified Health Informatician Australasia)

Specialist in Digital Health & Health Informatics.

Fellow of Australasian Institute of Digital Health (FAIDH).

Commonwealth Digital Health Fellow – Adelaide University, Australia.

Part Time Lecturer – Postgraduate Institute of Medicine, University of Colombo, Sri Lanka.

Part Time Lecturer – Department of Health Informatics, Kathmandu University, Nepal.

Part Time Lecturer – IIHS Multiversity / University of Surrey United Kingdom.

PROFILE

As a Medical Doctor, Lecturer and a Digital Health Specialist, I have extended my services in the field of healthcare as a healthcare provider for more than a decade. I have medical experience from being an undergraduate in the largest hospital in Sri Lanka to serving in two teaching hospitals in the country. After obtaining my MSc and MD from Postgraduate Institute of Medicine, University of Colombo, Sri Lanka, I have worked as a Lecturer and a Supervisor.

I am a Certified Health Informatician Australasia (CHIA), fellow of Australasian Institute of Digital Health (FAIDH), Expert in digital health systems, healthcare interoperability (HL7 FHIR, SNOMED CT, OpenHIE, DHIS2, CRVS), and ethical medical AI.

2017 Network Administration Course – Cisco, University of Moratuwa

2017 Certificate in DHIS2 Fundamentals

2017 Certificate in SNOMED CT Foundation

2013 National Blood Transfusion Service training at the National Blood Center, Sri Lanka.

2002 Diploma in Computer Studies with Distinction at IDM Computer Studies (Pvt) Ltd.

ATTENDED CONFERENCES & WORKSHOPS

2026 June 28th BioInquirer – IIHS Annual Technical Conference on "AI & Digital Health in Healthcare: Learning, Practicing, and Leading the Future of Care"

2025 Jan CAHO (Consortium of Accredited Healthcare Organizations) Lankacon - 2025

2024 Nov OpenHIE Community Meeting – OpenHIE Global event

2023 Dec Sri Lanka College of Health Informatics – Academic Sessions 2023

2022 Dec Sri Lanka Digital Health Convergence Workshop (AeHIN, HISSL and the Ministry of Health SL)

2018 Oct Asia Pacific Association of Medical Informatics 2018 Conference

2018 June Data to Policy Workshop - Bloomberg Philanthropies Data for Health Initiative

2017 Dec WHO Health Equity Assessment Toolkit Plus (HEAT+) – Workshop on Subnational Applications

2017 Oct 2nd Commonwealth Digital Health Conference

2016 Oct 24th Triennial Conference of the Commonwealth Medical Association 2016 on Digital Health for Health and Wellbeing

2016 May Short Course on Research Methodology – Medical Education Research Center, PGIM, University of Colombo

2015 eHealth Asia 2015 Conference

ACADEMICS, RESEARCH & TEACHING

Teaching Activities:

- Lecturer in MSc in Health Informatics at Postgraduate Institute of Medicine, University of Colombo, Sri Lanka
- Lecturer in MSc Health Informatics at Department of Health Informatics, Kathmandu University, Nepal.
- Lecturer in MBA in Health Administration, MSC in Digital Health (Coventry University UK) at IIHS Multiversity / Coventry University UK.
- Lecturer at Nawaloka College of Higher Studies, Sri Lanka / Swinburne University of Technology, Australia.
- Lecturer at ACBT - Australian College of Business & Technology, Sri Lanka / Edith Cowan University, Australia.

ACADEMICS, RESEARCH & TEACHING

Research & Thesis Publications:

- Quality of life and its association with activities of daily living and employment in 50–80-year-old patients with osteoarthritis attending rheumatology clinic, NHSL - 2009
- Development and Piloting of an Information System for Anti-Malaria Campaign Based on Public Health Software Framework DHIS2 – 2017
https://www.researchgate.net/publication/399886913_Development_and_Piloting_of_an_Information_System_for_Anti-Malaria_Campaign_in_Sri_Lanka_Based_on_the_Public_Health_Software_Framework_DHIS2
- A Study of the Potential Implications of the Proposed Personal Data Protection Act on Digital Personal Health Data in Sri Lanka – 2021
https://www.researchgate.net/publication/399887226_A_Study_of_the_Potential_Implications_of_the_Proposed_Personal_Data_Protection_Act_on_Digital_Personal_Health_Data_in_Sri_Lanka
- Digital Health Education for Food Literacy: Developing Content Creation Guidelines for Promoting Healthy Food Choices Among Youth in Sri Lanka – 2025
Mubarak S, Hewapathirana R, Thoradeniya T, Athukorala SC. AB037. Digital health education for food literacy: developing content creation guidelines for promoting healthy food choices among youth in Sri Lanka. J Public Health Emerg 2026;10:AB037. doi: 10.21037/jphe-26-ab037. <https://jphe.amegroups.org/article/view/11302/html>
- Clinical Efficacy and Patient Adherence Hurdles of Remote Patient Monitoring (RPM) Frameworks in Managing Hypertension and Type 2 Diabetes: A Scoping Review
Athukorala S C (July 30, 2026) Clinical Efficacy and Patient Adherence Hurdles of Remote Patient Monitoring (RPM) Frameworks in Managing Hypertension and Type 2 Diabetes: A Scoping Review. Cureus 18(7): e113642. doi:10.7759/cureus.113642. <https://www.cureus.com/articles/519133-clinical-efficacy-and-patient-adherence-hurdles-of-remote-patient-monitoring-rpm-frameworks-in-managing-hypertension-and-type-2-diabetes-a-scoping-review#!/>

Ongoing Research:

- Implementation and Adherence Barriers of Continuous Glucose Monitoring (CGM) Devices for Patients with Type 2 Diabetes Mellitus in Low- and Middle-Income Countries: A Scoping Review
- Technical Maintenance and Long-Term Sustainability of Hospital Information Management Systems (HIMS) and PACS in Low- and Middle-Income Countries: Scoping Review
- Digital Health Adoption, eHealth Literacy, and Trust in AI Among Generation Z University Students in Sri Lanka: An Empirical Study
- Optimizing Hospital Operations using Workflow Digitalization with Trusted Human-AI Collaboration.
- A Digital Health Approach to Predicting Maternal Hospital Admissions Based on Dengue Outbreak Patterns: A Spatiotemporal Study from Colombo District.
- Impact of Digital Health Tools on Radiographers' Workflow Efficiency.
- Adoption and Perception of Digital Health Technologies Among Gen Z University Students.
- Evaluating the Effectiveness of AI-Powered Chatbots in Supporting Mental Health Interventions for University Students in Sri Lanka.
- The Effectiveness of Virtual Reality (VR) in Enhancing Clinical Skills and Empathy in Nursing Education among Private Sector Nursing Students in Sri Lanka
